Describe your project and what you plan to do with funding from the UTown@UBC Community Grant Program:		

a place of mind

UTOWN@UBC
live work learn together

How will your project contribute towards the social vibrancy of UTown@UBC?

How will your project bring students, faculty, staff and other residents living in UTown@UBC together (e.g. residents will organize the project together, residents will attend an event or learn a new activity together)?

How many UTown@UBC residents do you anticipate this project will bring together?

How will you measure the success of your project (evaluation, participation goals)?

How many people will be involved in organizing this project?

What experience do you have to deliver the proposed project successfully?

Section C: Project Budget Information	
Amount requested (up to \$1,000): \$	Total Project Budget: \$
Planned Expense Item	Cost \$
Total Expenses
